For nearly 70 years, Hoag Memorial Hospital Presbyterian has delivered a level of personalized care that is unsurpassed among Orange County’s health care providers. Renowned for its excellence, specialized health care services and exceptional physicians and staff, Hoag is admired as one of California’s leading health care organizations.

The nonprofit hospital is guided by a 17-member Board of Directors. Robert T. Braithwaite serves as president and chief executive officer.

Hoag is one of the largest acute care hospitals in Orange County and one of the county’s largest employers, with more than 6,500 employees and 2,000 volunteers. Hoag has two main hospital campuses in Newport Beach and Irvine, 13 urgent care centers and nine health centers throughout the county. Hoag’s network of more than 1,700 physicians and 100 allied health members represents 52 different specialties.

To further Hoag’s commitment to provide comprehensive care to the communities we serve, Hoag Medical Group was created and is grounded by its core values: excellence, innovation, compassion and integrity.

Hoag was the highest ranked hospital in Orange County in the 2019-2020 U.S. News & World Report. The organization was ranked the #4 hospital in the Los Angeles Metro Area and the #8 hospital in California. Additionally, Hoag was #37 nationally in Neurology and Neurosurgery, #41 in Gynecology, #41 in Orthopedics and #48 in Gastroenterology and GI Surgery. Hoag ranked high performing in Cancer, Geriatrics, Nephrology, Pulmonology & Lung Surgery and Urology, as well as in all nine common adult procedures.

Hoag attained the Magnet® recognition as part of the American Nurses Credentialing Center’s (ANCC) Magnet Recognition Program. This credentialing program for hospitals recognizes excellence in nursing and is the highest honor an organization can receive for professional nursing practices. Hoag earned full accreditation with DNV GL Healthcare, the organization whose accreditation and quality management aligns with Hoag’s focus on constant improvement.

Hoag offers a comprehensive blend of health care services including five institutes providing specialized care in the following areas:

- **Hoag Family Cancer Institute** is on the leading edge of cancer treatment and offers patients a full range of advanced cancer therapies, including access to new cancer drugs, through a special alliance with USC Norris Comprehensive Cancer Center, and personalized, genome-guided therapy.
- **Jeffrey M. Carlton Heart & Vascular Institute** is one of the preeminent cardiovascular centers on the West Coast, achieving international and national accreditation for many of its programs. The Society of Thoracic Surgeons placed Hoag in the highest category for quality cardiac surgery, a rating achieved by only 10 percent of hospitals nationwide.
- **Pickup Family Neurosciences Institute** incorporates the latest diagnostic technologies, treatment modalities and integration of medical specialists to deliver the highest quality care for all complex neurological disorders.
- **Hoag Women’s Health Institute** improves the lives of the women it serves with personalized, integrated care through prevention, wellness and treatment. Hoag offers nationally designated programs in the areas of breast health, gynecological health and maternal child health.
- **Hoag Orthopedic Institute**, a specialty hospital and two ambulatory surgery centers, is the highest volume provider of joint replacements in California. The physicians collaborate on more than 10,000 orthopedic procedures annually. The institute focuses on the treatments of knee, hip and spine disorders, and takes pride in specialty care related to sports medicine, orthopedic trauma and extremities.
