## Benefactors Enjoy Peace of Mind

Ours is a community unlike any other. From Hoag's beginning, members of this community have answered the call to have the finest care close to home by giving generously to support Hoag's growth into a health care leader.

Today, Hoag is widely recognized as one of the premier health care providers in Southern California, offering advanced, comprehensive care at facilities located throughout Orange County.

Donor support of the Hoag Promise Campaign assures Hoag's ability to deliver the next generation of care while maintaining and enhancing the Hoag experience for every patient and family.

As a gesture of gratitude, Hoag Hospital Foundation established our Benefactor Program to honor and thank our most generous supporters.

As a Hoag Hospital Foundation benefactor, you will enjoy exclusive access to a team of compassionate and experienced benefactor liaison registered nurses who facilitate your health care journey across Hoag's many facilities. Available 24/7, our liaisons will

assist you with scheduling and referral requests and will assist you in the Emergency Department at the Irvine or Newport Beach campus. All you need to do is call our Benefactor Hotline and we will be there to assist you.

Offering you this kind of peace of mind is our way of saying thank you for your generous support. We couldn't do it without you.

## What Others Are Saying

---

*"The benefactor liaison who assisted me was wonderful, meeting me at the ER, taking me through the process and explaining what was going to happen. She was ever-present for support. It was all very much appreciated!"*

---

*"Thank you so much for taking such good care of my wife during her hip replacement surgery at Hoag. There were lots of nice little things like newspapers and flowers, but the best part was the personal conversations with benefactor liaisons who stopped by daily to say 'Hello.' Your impact is very positive and powerful."*

---

*"I would like to express our sincere appreciation for the loving support you gave my husband during his many days at Hoag. You all pampered him with smoothies, newspapers, flowers and love. When I think of all that you helped me with, I am just so grateful to have had you all by my side during a most difficult time."*
