

Since 1952, Hoag Memorial Hospital Presbyterian has delivered a level of personalized care that is unsurpassed among Orange County's health care providers. Renowned for its excellence, specialized health care services and exceptional physicians and staff, Hoag is admired as one of California's leading health care organizations.

The nonprofit hospital is guided by a 15-member Board of Directors. Robert T. Braithwaite serves as president and chief executive officer.

Hoag is one of the largest acute care hospitals in Orange County and one of the county's largest employers, with more than 5,500 employees and 2,000 volunteers. Hoag has two main hospital campuses in Newport Beach and Irvine, 10 urgent care centers and seven health centers throughout the county. Hoag's network of more than 1,500 physicians represents 52 different specialties.

Hoag was the highest ranked hospital in Orange County in the 2017-2018 *U.S. News & World Report*. The organization was ranked the #3 hospital in the Los Angeles Metro Area and the #8 hospital in California. Hoag was the only Orange County hospital ranked in the top 10 for California. Additionally, Hoag was #25 nationally in Orthopedics, #27 nationally in Gastroenterology and GI Surgery, #46 nationally in Pulmonology and #47 nationally in Geriatrics. Hoag ranked high performing in Neurology & Neurosurgery, Nephrology and Urology, as well as in nine common adult procedures.

To further Hoag's commitment to provide comprehensive care to the communities we serve, Hoag Medical Group was established with the core values of excellence, innovation and compassion.

Hoag attained the Magnet® recognition as part of the American Nurses Credentialing Center's (ANCC) Magnet Recognition Program. This credentialing program for hospitals recognizes excellence in nursing and is the highest honor an organization can receive for professional nursing practices. Hoag earned full accreditation with DNV GL Healthcare, the organization whose accreditation and quality management aligns with Hoag's focus on constant improvement.
